

Azusa Pacific University is a Christian school located at the foot of the San Gabriel Mountains, with about 6,000 undergraduate students. Our motto is *God First*, and it is the goal of the men's soccer program to put God first in everything we do, on and off the field.

APU offers a wide variety of academic disciplines and has been named one of America's Best Colleges by *U.S. News & World Report*. We are proud of our heritage and look forward to the future as we see God at work in our university. APU is a dynamic institution, one that will continue to grow into the 21st century.

Azusa Pacific has one of the finest small-university athletics programs in the country, and has a rich soccer tradition. Last fall, men's soccer had another season of excellence, finishing the regular season with a record of 14-2. The Cougars captured the PacWest title with a conference record of 11-1 and earned the No. 2 seed for the West Region of the NCAA Division II National Tournament.

The men's soccer program is in constant pursuit of excellence as it competes at the championship level. We are looking for top-level players who will share in the vision of the Azusa Pacific soccer program, and quality young men who are excited to be a part of the APU community. We are committed to developing the team to national championship quality and developing the individual player to reach his soccer and personal best.

Go Cougars!

Dave Blomquist
Men's Soccer Head Coach
