

## Ejection Procedure

NOTE: If an official, scorekeeper, Intramural Supervisor, or any other Intramural Staff member hears a participant, coach, or spectator using profane language, that participant, coach, or spectator will be ejected from that game. THERE WILL BE NO EXCEPTIONS TO THIS RULE!

- 1) Participants who exhibit unsportsmanlike conduct during a contest, regardless of to whom the conduct is directed, will be ejected from that contest.
- 2) The ejected participant will be asked by an official or Athletic Trainer to sign an incident report. If the participant refuses to sign the incident report, the player or the player's team will forfeit the game.
- 3) The ejected participant must also completely leave the premises of the intramural event. If the participant refuses to completely leave the premises of the intramural event, his or her team will forfeit the game and an official or Athletic Trainer will call Campus Safety, who will forcibly remove the participant from the premises.
- 4) The ejected participant will then set up a meeting with the Graduate Intern for Intramurals and will inform the participant if any further action will take place. It is the sole responsibility of the ejected participant to set up the meeting with the Graduate Assistant. The decision of the Graduate Assistant on this matter is final.
- 5) The procedure for reinstatement is as follows:
  - A) Players ejected due to unsportsmanlike conduct will automatically receive a one-game suspension from the sport in which they were participating. The suspension is for the next scheduled game (including playoffs). Should the ejection take place on the last scheduled game for that sport, the participant ejected will miss the first scheduled game for the next intramural event in which he or she wishes to participate.
  - B) If the participant is required to meet with the Graduate Assistant, the G.A. will decide whether any further punishment is warranted. The participant will be notified of the G.A.'s decision within 24 hours of the end of the meeting.
- 6) Any team with three (3) ejections in a semester will be suspended from Intramural competition until that team's captain meets with the Graduate Intern for Intramurals to discuss possible, but not automatic, reinstatement for the individual(s) who have been ejected as well as the team as a whole. The entire team will be ineligible for Intramural competition until this meeting takes place.
- 7) Individuals and/or teams that commit violations involving more serious offenses while attending an official university event will be referred to the Director of Communiversity.
- 8) The Graduate Assistant for Intramurals reserves the right to bypass all of these procedures and ban any individual or organization from Intramural competition if, in the Graduate Assistant's judgment, the individual or organization has acted in such a way that banishment is warranted.
- 9) A participant who wishes to appeal the decision of the Graduate Assistant for Intramurals must initiate the following appellate procedure:
  - A) Appeals must be made within three (3) calendar days of the decision and submitted in writing to the Director of Communiversity. All decisions made by the Director of Communiversity are final.
