ABSTRACT DEADLINE: May 15, 2016

You are invited to submit abstracts for the 21st JOINT SOUTHERN CALIFORNIA STTI CHAPTERS NURSING ODYSSEY CONFERENCE 2016. The official Call for Abstracts has been posted on Sigma Theta Tau International's website <http://www.nursingsociety.org> and <https://stti-odyssey2016.eventbrite.com>.

PURPOSE

The purpose of this joint conference is to promote communication about nursing research, education, practice and leadership, and to enhance research collaboration throughout nursing's scholarly community.

PROCEEDINGS

Proceedings will be distributed at the conference for all in attendance. The proceedings will not be copyrighted. You may publish the paper or abstract elsewhere; we request, however, that you include the notation that the paper or poster was presented at the 21st Joint Southern California Chapters STTI Nursing Odyssey Conference 2016.

ELIGIBILITY:

- ❑ Quantitative research, qualitative research, mixed methods research, or innovative evidence-based projects are eligible for podium or poster presentation.
- ❑ Research must be completed by the time of submission to be eligible for podium presentation.
- ❑ In-progress and completed research are eligible for poster presentation.
- ❑ Innovative projects must be implemented or completed to be considered for podium presentation.
- ❑ Innovative projects currently without reportable outcome evidence are eligible for poster presentation only.
- ❑ Symposia
- ❑ Eligible presenters are: members of STTI chapters, faculty, current nursing students, or other interested nurse clinicians, researchers and scholars.

NOTIFICATION

The first author of accepted presentations and posters will be notified by July 18, 2016.

If your abstract is accepted, you will need to respond to the invitation by August 8, 2016, and register to attend the conference. Podium presenters must submit finalized PowerPoint presentations to Carolyn Davidson: cmdavidson@llu.edu 9/16/16.

*The conference is sponsored by the following schools/STTI chapters: Azusa Pacific University/Iota Sigma; CSU Dominguez Hills/Xi Theta; CSU Los Angeles/Nu Mu; CSU Long Beach/Iota Eta; CSU San Bernardino/Rho Beta; Loma Linda University/Gamma Alpha; San Diego State University/Gamma Gamma; University of San Diego-Point Loma Nazarene University/Zeta Mu; University of California Los Angeles-CSU Northridge/Gamma Tau; University of Phoenix, Southern California Campus/Omicron Delta; CSU Fullerton/Upsilon Beta; Western University of Health Sciences/Phi Alpha; CSU San Marcos/Phi Theta, Mount St. Mary's/Phi Lambda and California Baptist University, Chi Mu.

SELECTION CRITERIA: Abstracts will be blind reviewed using the *requested* selection criteria below.

- **Quantitative Research** podium and poster presentations will be selected based on assessment of the following abstract components:
 - Specific aims or objectives of the study;
 - Rationale or background for the study;
 - Research methodology including design, sample, and procedure;
 - Instrument (reliability and validity) and data analysis used;
 - Research findings or results;
 - Implications or significance of findings to nursing.

- **Qualitative Research** podium and poster presentations will be selected based on assessment of the following abstract components:
 - Phenomenon of interest;
 - Description of methodology;
 - Description of participants;
 - Knowledge gained from study;
 - Implications or significance;
 - Recommendations for future studies.

- **Mixed Methods Research** podium and poster presentations will be selected based on assessment of the following abstract components.
 - Aim or objective;
 - Rationale or background;
 - Research questions clearly stated and appropriate for mixed methodology;
 - Quantitative Sampling procedure;
 - Instruments;
 - Data Collection procedures;
 - Quantitative data analysis procedures;
 - Tradition clearly identified or easily inferred (Qualitative Data Collection);
 - Qualitative data analysis procedures consistent with the tradition;
 - Findings/Results;
 - Strength of the study enhanced with inclusion of both data types;
 - Implications or significance.

- **Innovative Evidence-Based Projects** (problem analysis, case study, QI evaluation, systematic review, etc.) podium and poster presentations will be selected based on assessment of the following abstract components:
 - Statement of the problem;
 - Method used to address the problem;
 - Description of any innovation and resulting change, if appropriate;
 - Implications and significance of the project findings for research, practice, leadership or education;
 - Recommendations or future problems/questions.

- **Symposium** podium presentation will be selected based on assessment of the following abstract components:
 - Completion of research focused on research issues or implementation of innovative project
 - An overview of the symposium including title, two (2) to (3) key words, presenter information and a minimum of two (2) measurable outcomes of presentation which complete the sentence “The learner will be able to.....”. The overview is limited to 300 words or less and each learner objective is limited to 25 words or less.
 - Ninety (90) minute presentation by a minimum of three different authors
 - Profile for each author including biographical information
 - Submission of three (3) abstracts with a common theme and selection criteria (Research or Innovative Projects listed above) in the required format.
