

Chapel Worship Leader Job Description

Leading (singing and/or playing) music worship for a designated chapel. The time commitment for this position is: leading a worship team in a once a week rehearsal to prepare for upcoming chapels (the rehearsal time is decided between the band members), organize and pick set lists for upcoming chapels, organize and maintain band equipment for your designated chapel site, leading and attending your designated weekly chapel(s).

There are two, three day Chapel Band Retreats required for this position. The Fall Retreat is in the middle of August and the Spring Retreat is at the beginning of January, before the end of Winter Break.

Student leaders in this position are required to put in the necessary practice and preparation time outside of the designated band rehearsal times to be prepared for each chapel.

This is a paid position. First year leaders start at level 2, step 1. Each year of leadership the step increases.
