- Provide behavioral support (tiers one, two, and three) for public schools in the form of direct and indirect services for students.
- Conduct functional behavior assessments (FBAs) for companies providing ABA services.
- Conduct assessments for young children as an independent contractor for companies providing ABA services.
- Provide private behavior consultation to parents and caregivers in the home and via video conferencing.
- Provide private supervision for students studying to be a BCBA.

Heather Maguire
PsyD, PPS, BCBA-D

Azusa Pacific University (APU), Azusa, CA

Adjunct Professor, October 2011 – January 2012; October 2013 – January 2016

- Taught behavior analysis classes and school psychology classes to graduate students.
- Created and presented lectures and facilitate class discussion based upon the textbook, relevant journal articles, and clinical examples from the field.
- Provided detailed feedback on papers and functional behavior assessments to help each student build the necessary competencies to be a behavior analyst.

Coyne & Associates Education Corporation

Regional Director, January 2014 – January 2015

- Hired, trained, and managed a team of 40 program supervisors and early childhood instructors that provided in-home behavioral services for individuals with developmental disabilities.
- Managed the daily operations of the Inland Empire geographical area.
- Used ABA to govern the completion of assessments, design of intervention plans, progress monitoring, and consultation with parents for clients with developmental delay.
- Coordinated services with government agencies (e.g., Regional Center), school districts, and insurance companies.
- Developed curricula, instructional materials, data collection techniques, and teaching strategies for the agency.

Azusa Pacific University (APU), Azusa, CA

Consultant, November 2013 – December 2013

- Responsible for the redesign of the BCBA program in accordance with new program standards issued by the Behavior Analyst Certification Board (BACB).
- Project included comprehensive curriculum design of six traditional graduate classes and two fieldwork graduate classes.
- Created syllabi detailing which standards should be taught in each session of each class.
- Created assignments to appropriately measure competency of new standards.
- Completed project on time, on budget, and to the satisfaction of Department Chair.

Fusion Academy and Learning Center

Director of Admissions and Outreach, March 2012 – October 2013

- Responsible for admissions at a non-traditional school that provides one-to-one education to a variety of student populations (e.g., those with learning disabilities, attention deficit hyperactivity disorder, anxiety, depression, autism spectrum disorder, and chronically illness).
- Interpreted neuropsychological evaluations and made recommendations for each student's formal education plan.
- Provided staff trainings to assist in understanding of student needs related to learning differences.
- Completed functional behavioral assessments as needed to determine if the school is an appropriate placement for students.
- Acted as a school administrator responsible for emergent issues on campus.

Heather Maguire
PsyD, PPS, BCBA-D

Beacon Autistic Spectrum Independence Center (BASIC), La Palma, CA

Clinical Director, April 2010 – March 2012

- Managed a team of four clinical case supervisors and eleven behavioral interventionists that provided in-home behavioral services for individuals with developmental disabilities.
- Completed functional behavioral assessments and designed intervention plans for individuals with disabilities by incorporating the principles of ABA.
- Consulted with the parents of clients using the principles of ABA.

Jurupa Unified School District, Riverside, CA

School Psychologist/Behavior Specialist, Temporary Contract, October 2009 – April 2010

- Completed psychoeducational evaluations and functional behavioral assessments for students in elementary school with mild, moderate, and severe disabilities.
- Led Student Study Team (SST) and Individual Education Plan (IEP) meetings.
- Communicated with parents and professionals to coordinate appropriate services.

Irvine Unified School District, Irvine, CA

School Psychology Intern, August 2008- June 2009

- Completed psychoeducational evaluations and reports for students in elementary through high school who had mild, moderate, and severe disabilities.
- Collaborated with school personnel to identify barriers to student learning and implement effective interventions.
- Conducted crisis counseling at the elementary and alternative education high school.
