Clinical Experience:

2002 – 2007

*Director, Post-Doctoral Fellowship Program
Patton State Hospital*

Functioned as the Director of the Post-Doctoral Fellowship, a training program for unlicensed psychologists in a post-doctoral level of training interested in obtaining specialty focus in forensic and clinical work. Provided administration, supervision, teaching and training directly, as well as coordinating supervision and training provided by other psychologists throughout the hospital. Coordinated with local courts, forensic professionals, attorneys, and adjunctive mental health agencies to provide training and liaisons within the community. Responsible for all aspects of the trainee/fellow's year long training.

1999- 2003

*Clinical Therapist
Stella Maris Growth Center*

Provided individualized psychotherapy services and consultation to staff members for a six-bed group home facility for girls ages 13-17 who have been removed from the home by the Department of Children's Services (DCS). Typical disorders included Post-Traumatic Stress Disorder, Major Depression, Adjustment Disorder, Bipolar Disorder, Generalized Anxiety Disorder,

Learning Disorders and Borderline Intellectual Functioning. Services included pertinent documentation to the courts, social workers, and families.

1993 – 2002

Staff Psychologist

Patton State Hospital

Provided complete psychological services to a 40-bed unit of forensically committed geriatric patients. Services included psychological assessment, evaluation, individual and group therapy, and participation as a member of an interdisciplinary team involved in all aspects of treatment planning. Additional duties included:

- Conducted SVP (sexually violent predator) assessments as trained and appointed for prisoners incarcerated at the California Department of Corrections
- Conducted MDO (mentally disordered offender) assessments as trained and appointed for prisoners incarcerated at the California Department of Corrections
- Served on the follow committees:
 - Medical Staff Credentials Committee
 - Morbidity and Mortality Committee
 - Post-Doctoral Fellowship Committee
 - Clinical and Professional Interests Forum (chair)
- Taught the following seminars:
 - Psychotherapy Seminar
 - Assessment Seminar
 - Clinical Practices Seminar
- Supervision of both interns and post-doctoral fellows as primary and secondary supervisor

1992 –1993

Psychology Intern

Patton State Hospital

Conducted individual and group psychotherapy with a diverse population of forensically committed patients. Completed psychological assessments and evaluations as indicated.

Additionally, completed two external rotations:

- University of Riverside, Student Counseling Center
- Loma Linda University Medical Center, Neuropsychology Rehabilitation Unit

1990 – 1992

Clinical Therapist

The Sycamores Residential Center

Conducted individual, family, and group psychotherapy with a group of boys, ages 6-8, at a residential treatment facility for children who were either removed from the home by Child

Protective Services (CPS) or through school-required services. Engaged in case management, including discharge and admission planning, treatment planning, consultation to direct care and teaching staff, interfacing with CPS and DMH agencies and providing aftercare and follow-up services.

Forensic Experience:

- 1996 – Present *Court-Appointed Medical Examiner*
San Bernardino Juvenile Court/Probation Department
Provide psychological assessments of minors as appointed by the Superior Court, Juvenile Division, and the probation department. Assessments have addressed the following areas:
- Dispositional Recommendations
 - Juvenile Sex Offender Evaluations
 - Juvenile Competency to Stand Trial
 - Need for Treatment/Diversion to Mental Health Services
 - Waiver to Adult Court (Fit and Propers)
- 1996 – Present *Court Appointed Medical Examiner*
San Bernardino Superior Court
Provide psychological evaluations and assessments to the courts for San Bernardino, Redlands, Fontana, Rancho Cucamonga, and Victorville Divisions. Assessments have included the following areas:
- Competency to Stand Trial
 - Not Guilty by Reason of Insanity
 - Sex Offender Diversion Treatment
 - Narcotics Diversion Treatment
- 1996- Present *Private Practice, Forensic Psychology*
San Bernardino, Riverside and Orange Counties
Provide confidential psychological assessments and evaluations as requested by public defenders, defense attorneys and prosecuting attorneys in both the adult and juvenile divisions of the San Bernardino Superior Courts. Areas of focus have been:
- Not Guilty by Reason of Insanity
 - Competence to Stand Trial
 - Other Mental Health Defenses
 - Sex Offender Risk Assessments
 - Waiver to Adult Court (Fit and Propers)
 - Defense-Requested Confidential Evaluations (1017)
 - Consultation regarding specific cases
 - Expert testimony
