Azusa Pacific Athletics Facilities Overview

**Cougar Stadium**
Seating Capacity—2,000 (Building #33 On East Campus Map)
The stadium is home to Cougar track and field. Built in 1986, APU has produced some of the biggest track names in the sport: Bryan Clay, Dave Johnson, Christian Okoye, Innocent Egbunike, Fatimat Yusuf, Stephanie McCann, and Vivian Chukwuemeka. The stadium hosts the Bryan Clay Invitational each year and partners with the Mt. Sac Relays in being the host for the decathlon and heptathlon events.

**Citrus College Stadium**
Seating Capacity—10,000 (On the campus of Citrus College East of the APU Campus)
This stadium became the home of the Cougars football program in 2010 and has quickly become a perfect home to a growing program. Having outgrown Cougar Stadium, Citrus Stadium has accommodated our fans and players well with close walking proximity to APU campus housing.

**Felix Event Center**
Seating Capacity—3,500 (Building #66 On West Campus Map)
The $13.5 million, 70,000 square-foot Richard and Vivian Felix Event Center is home to Cougar basketball and women’s volleyball teams. In 2010 APU held its first competition in the new sport of Acrobatics and Tumbling. In addition to providing a location for university events like athletic competition, chapel and Night of Champions, the Felix Event Center provides a venue for community gatherings, including graduations, concerts, and conventions.

**Cougar Soccer Field**
Seating Capacity—1,500 (Building #79 On West Campus Map)
This field, built in 2002, is home to men’s and women’s soccer teams. It is the finest example of a well-maintained soccer field in the San Gabriel Valley. One national championship (men in 2007) and numerous final four appearances (women in 2006, 2007, 2009, 2010) have been accomplished since moving from Cougar Stadium.

**Cougar Baseball Field**
Seating Capacity—1,000 (Building #9 On East Campus Map)
Home to the Cougar baseball team, the baseball field is located south of Engstrom Hall. A great view for fans in that living area, this field boasts many GSAC titles and more than a dozen players who have been drafted into professional baseball.

**Cougar Softball Field**
Seating Capacity—300 (Building #80 On West Campus Map)
Home to Cougar softball. For the past ten years, the softball team has averaged 32 victories per season, including a school record 53 in 2000 when the Cougars advanced to the national championship game.

**Munson and Bavougian Tennis Complex**
Seating Capacity—200 (Building #87 On West Campus Map)
The newest athletic facility, completed in February 2009, this 8-court complex features a staggered elevation designed to enhance the spectator experience and provide quality viewing throughout the structure.
