1. Dining points on the Undergraduate Student Dining Plan have the purchasing value of $2 per 1 Dining Point when used at any of the Dining Services venues. Products purchased with Dining Points will not be taxed. Dining Points are calculated for each plan based on a portion of the dining plan purchase cost being deducted for the direct operational cost. The remaining balance is the available dining points for the students use for the semester.

2. Undergraduate dining plans are available only for currently enrolled undergraduate or ALCI students.

3. Freshman residents living in Smith, Adams, Trinity or Engstrom Halls are required to carry either the Cougar Premium or Cougar Traditional Plan. Any freshman dorm resident that does not sign up for a dining plan will be automatically placed on the Cougar Traditional.

4. All non-freshman students living in Smith, Adams, Trinity or Engstrom Halls or Shire H court are required to have a minimum of the Cougar Choice Plan. Any non-freshman resident living in these areas that do not sign up for a dining plan will be automatically placed on the Cougar Choice Plan.

5. Undergraduate dining plans are non-transferable and may only be used by the dining plan purchaser by use of a valid APU ID card. Any customer found to be using an APU ID card that is not their own will have the card confiscated by the cashier. The card holder may pickup their ID card at the One Card Office during normal business hours.

6. A dining plan can be added or increased at any time during the semester. Reducing or dropping a dining plan (if not prohibited by part 3 or 4 above) is allowed only prior to the drop date for each semester.
8. Dining plan charges are charged to the student account when the completed contract is processed by the One Card Office. Plan will be changed and able to be used on students ID card by the end of the following business day from when contract was submitted.

9. Students that drop a dining plan for any reason after the beginning of the semester before the drop date will be charged a prorated amount to be calculated by the One Card Office and charged to the student’s account.
