Take-out and To-Go Meal Policy for 1899 Dining Hall

Policy Statement
There are two take out options available at 1899 Dining Hall. The first option is a variety of pre-packaged freshly prepared entrées and entrée salads. These entrées are presented in microwavable containers for easy heating. Entrée salads will be presented in the cold display case. There are also hot entrees and sides available to-go. The hot meals to go will be served in a reusable Eco container. These hot items are the same dishes served in the 1899 Dining Hall daily menu.

Reason for Policy
The set guidelines on how the take-out and to-go meal policy works for both the customer and the department.

Procedures
There are two take out options available at 1899 Dining Hall

• The first option is a variety of pre-packaged freshly prepared entrées and entrée salads read. These entrées are presented in microwavable containers for easy heating. Entrée salads will be presented in the cold display case. Students will be able to use a meal swipe to purchase these entrées which include a side and a beverage from the soda fountain.

Faculty and staff may purchase these pre-packaged entrees at the retail price with Cougar Bucks, cash or credit card.

These items are NOT available as a Faculty /Staff meal discount.

These meals are for take-out only and admittance to the main dining room will require an additional payment or meal swipe.

• There are also hot entrees and sides available to-go. The hot meals to go will be served in a reusable Eco container. These hot items are the same dishes served in the 1899 Dining Hall daily menu. Guests will have their choice of any hot entrée and sides and the meal includes a beverage from the soda fountain.

Students will be able to use a meal swipe to purchase these entrees.

These items are available as a Faculty /Staff meal.

These meals are for take-out only and admittance to the main dining room will require an additional payment or meal swipe.

The Salad bar is NOT included in this program.

• The Hot meals To-Go items are available during regular meal times (Breakfast, Lunch, Dinner & Brunch).

• The Pre-packaged Take-Out items will be available all day.

• Eco Container System of Accountability
Guests purchase reusable Eco container from the cashier of the Dining Hall. The price is $5.00 to participate in this VOLUNTARY take out program.

Guests may use dining dollars, cougar bucks, cash or credit card to pay for the Eco container.

Each time the guest returns a container they will receive a clean container. The container will then be used for their to-go meal.

When guests return a container, they hand it to the cashier who will then place it in a bus box. The bus box will be taken to the dishwasher where it can be cleaned, sanitized and put back out for reuse.

If a guest wants a to-go meal but forgets or loses their used container for the exchange, they will need to buy into the program again and pay $5.00 for a new Eco container. No Exceptions.
