Study Abroad Guide

Tier A: APU Semester Programs
Tier A programs allow APU students to apply their FULL Financial Aid towards a study abroad semester, including ALL Federal, State, and Institutional (APU) Aid. APU Scholarships requiring on-campus participation are not included.

High Sierra: An Off-Campus Study Alternative in a Natural Setting
Study within the midst of beauty, order, and mystery of God’s creation. Offers students an opportunity to slow down and step away from the busyness of urban life.

LA Term: Listen To, Learn From, & Live Among the Diverse People of L.A.
A residential study and service semester in the heart of Los Angeles. This program aims to equip undergraduate students to live out their faith and values in postmodern urban culture.

Oxford: Integrating Faith and Scholarship
A unique program for junior and senior class students to become associate students at one of Oxford University’s several colleges in Oxford, England. Courses are all one-on-one tutoring with Oxford Professors. Learn with British students and enjoy Oxford member privileges, like access to sports and student clubs.

South Africa: A Program in Community Building and Reconciliation
An exciting opportunity for students to learn in the unique cultural setting of Pietermaritzburg and Cape Town in South Africa while also engaging with the community and participating in service projects - all for the same costs as an APU semester (airfare included).

TRADITIONAL and NURSING tracks available.

Tier B Programs
Tier B programs allow APU students to apply any Financial Aid that is Federal, State and APU academic/Merit-Based Scholarships (President’s, Dean’s, etc).

APU Winter & Summer Programs
Each winter and summer, a variety of APU faculty provide students the opportunity to take APU courses while traveling with the faculty in locations around the world. Past locations have included England, China, Mexico, Israel, Lithuania, Italy, France, Thailand and many more. Contact the CGLE/Study Abroad Office for upcoming courses and locations as they vary from year to year. Although financial aid cannot be given for the sole purpose of a winter or summer program, any financial aid credit on your student account from a previous semester can be applied to a winter or summer program.
