

Summer Housing Options

2018

How do I obtain summer housing?

All the details you'll need to know!

- Students who need to stay for the first six weeks or less may apply for Summer 1 Housing in Adams Hall.
- Students who need to stay for all or part of the summer may apply for the Summer Housing program in the Village.

Weekly Rate: \$178

The summer charge is based on a weekly rate of \$178 over 14 weeks.

Discount:

While the entire summer rate would be \$2492, students who stay all summer (14 weeks) will receive 50% off their summer cost and only pay **\$1246**.

The summer rate does not change based on occupancy (standard or triple), and Housing Services reserves the right to triple rooms as needed. Cost is prorated by the week if you wish to be here for only part of the summer.

Securing a specific summer unit

Students who secure a unit for Fall 2018 in the summer zone during housing sign-ups, may request the same unit for summer 2018.

Deadline to submit a summer request for this is **Friday, April 27, 2018**. Those currently living in the summer zone for Spring 2018 may also request to stay in their unit, but priority will go to Fall 2018 residents.

Summer Housing Program

All the details you'll need!

Placement

Summer I Housing students will be placed in Adams Hall. Athletes should contact their coach to ask if they need a space for post-season play. Students who need to stay past *Summer I* will be placed in University Village.

University Village, Summer Zone: I, N, O, P, R, & T

Eligibility

Any undergraduate student who will continue in the fall or who is taking summer classes may request summer housing. Current students do not have to be enrolled in summer classes if they are enrolled for fall 2018. Incoming new students to APU must be enrolled in summer classes. Athletes finishing competition are also eligible. Students who have graduated are not eligible.

How to Apply

The week of April 23-27, students may go to Housing Services to request summer housing. Students who do not have a **spring 2018 \$0 balance** on their student account should start at the One Stop office to obtain financial clearance before requesting summer housing. Once completed, students may go to Housing Services to apply for the number of weeks they need summer housing. Specific roommate, room type, or location requests can be made, but are not guaranteed. One bedrooms are very popular, but most are filled by students staying in the same unit or by those who will live there in the fall.

Plan ahead if you will not be living on campus in the fall.**

Set Up Utilities

As a resident in a campus apartment for the summer, you and your roommate(s) are responsible for arranging and paying for your own utilities. APU is not responsible for uncollected charges for utilities. For more information, go to: www.apu.edu/housing/resources.

Electricity

To turn on the electricity in your unit, contact Azusa Light and Water by going to <http://www.2turniton.com/> and select "Electricity" as your service request. Pre-payment of \$135.00 is required to establish service. Submit your request right away. Azusa Light and Water is closed on Fridays, Saturdays, and Sundays! After hours turn-ons (Fridays and Saturdays) can cost over \$200 extra.

Gas

To set up gas service, call The Gas Company at 1 (800) 427-2200. Even if they tell you that the gas is "on", you need to set up the account in one of the summer roommates' names to avoid disconnection!

Service Address

The service address for **University Village** is: 801 E. Alostia Ave, Azusa, CA 91702. Make sure you don't forget the zip code and add the building and apartment number as well. If your unit number is not recognized, try it multiple ways (A2, 2A, or #2).

Mail cannot be sent to this service address. Students should use their APU student post office box number as a mailing address.

Summer Housing Resources

Summer Check-in

Students may check into their *Summer Housing* or *Summer I* space beginning **Monday, May 7, 2018 at 3pm** at the Housing Services service window in Engstrom Hall. Housing Services will be open until 10pm.

Extra Day for Spring Checkout

You will not be homeless for a day! The general checkout deadline of May 6, 2018 at noon does not apply to you. All summer residents must be out of their spring unit by 10pm on Monday, May 7, 2018. We understand this is a quick transition, so please be prepared for your move. Be packed, cleaned, and ready!

Be patient, many moves are taking place

Because the transition from spring to summer is very tight, there may be some delays getting into your unit on Monday. Please have patience. We will not require you to check out of your spring unit by the deadline if there are significant delays getting you into your new unit. It is possible that you may have to wait for a spring resident to move out of your summer unit. If there are any issues during your move, please find your new RA or RD so they can assist.

Summer Work Projects

There are always work projects going on through the summer. These projects are essential in the general upkeep of the living areas. At times these projects may cause some inconvenience. Thanks for your patience as we continue to improve the campus.

Parking

Summer parking is coordinated through Campus Safety (permits and gate remotes). After you've been assigned to summer housing, please contact Campus Safety to obtain parking.

Work Orders

Maintenance and furniture requests may be submitted online via your home.apu.edu portal. Click on "self-service" to find the "Campus Work Order" link. Please note, extra furniture will not be removed if the unit will be set up for an oversubscription in the fall.

Summer Checkout for Everyone

If you are staying until the end of summer and are a fall resident, you will check out of your summer unit and into your fall unit on 8/10/18. If you are not a fall resident and paid for the entire summer, your checkout is also 8/10/18. This date is not flexible, so please plan ahead!
