

LOA and Study Abroad Housing Resources

Students studying abroad or on a Leave of Absence (LOA) from the university have the same opportunity to obtain housing for 2022-23 as students currently enrolled on the Azusa campus. Here are a few things you will need to know:

1. Know the process

Go to <http://www.apu.edu/housing/signup> to download this year's information.

2. Choose a proxy

If you are assigning up in a group, designate your group's representative to act as your proxy in the process. You do this in the [License Agreement](#).

3. Fill out the forms

If you are signing up in a group or alone, complete and sign the [Housing License Agreement](#) by April 29, 2022. All students need to complete this agreement. The License Agreement will also have a section to add a proxy to represent you in the process. You are giving this person permission to submit your name on the [22-23 Sign Ups Form](#) and to secure campus housing for you and your group for the 2022-23 academic year (fall 2022 and spring 2023).

You must submit the [License Agreement](#) (online) and indicate the name of the person representing you/your group in this year's process.

Not in a group?

If you are submitting a request without a group, complete the [22-23 Sign Ups Form](#) and the [Housing License Agreement](#) by April 29, 2022.

Planning to be away in the fall?

Students studying abroad in the fall do not take part in the group process in the spring. See below for how the process works to obtain spring 2023 housing.

Spring 2023 Housing Process:

- 1. Complete the online [Request for Campus Housing Assignment form](#).** You will sign the License Agreement as part of this form.
- 2. Submit before Christmas Break**
Assignments will be made over Christmas break 2022, and notification will be sent out to you via email.
- 3. Specific roommate requests**
While we try to accommodate specific roommate requests, it is not always possible. All roommate requests must be mutual. If you have desired roommates who have a 2022-23 assignment, have them email us at housing@apu.edu to request you. You should write their name(s) on your [Request for Campus Housing Assignment](#) form.

We cannot hold a fall space for a spring resident

While we understand students may want to live with someone upon their return in the spring, Residence Life does not hold spaces during the fall for future spring residents.
