

# Undergraduate Summer Housing Program 2022

## How do I obtain undergraduate summer housing?

All the details you'll need to know!

- Students who need to stay for the first five weeks or less may apply for Summer 1 Housing in Adams Hall. These students will pay by the week.
- Students who need to stay past summer 1, part of the summer, or for the entire summer may apply for the Summer Housing program in the Village. Students who stay all summer will receive a 50% discount. Students who stay for part of the summer will pay by the week.

## Summer Housing Program

**Standard Weekly Rate: \$242**

**Entire Summer: \$3146**

Two students in one-bedroom units and four students in two-bedroom units.

**Private Weekly Rate: \$363**

**Entire Summer: \$4719**

Students do not share a bedroom; however, they may share a unit. Students are not guaranteed a private unit.

The entire summer charge is based on a weekly rate over 13 weeks.

### Summer Discount:

While the entire summer rate would be \$3146 (Standard Occupancy) or \$4719 (Private Bedroom), students who stay all summer (13 weeks) will receive 50% off their summer cost and only pay \$1573 (Standard) or \$2359.50 (Private).

The summer rate is the same for one and two-bedroom units. The private bedroom rate is 150% of the standard rate.

### Already live in the summer zone?

Students already living in the summer zone will most likely remain in the same unit for the summer. These students should expect to receive roommate(s) for the summer unless they are granted a private bedroom.

### Eligibility

Any undergraduate student who will continue in the fall or who is taking summer classes may request summer housing. Current students do not have to be enrolled in summer classes if they are enrolled for fall 2022. Incoming students who are new to APU must be enrolled in summer classes. Athletes finishing competition are also eligible. Students who have graduated are not eligible.

### Placement

Summer 1 Housing students will be assigned in **Adams Hall**. Athletes should contact their coach to ask if they need a space for post-season play. Students, who need to stay past Summer 1, will be assigned to specific buildings in University Village. Students who are currently living in the Village will continue to do so, but may have to relocate to a new unit to allow for overdue building maintenance (fumigation, maintenance, improvements, etc.). Students will be placed two per bedroom, unless a student pays for the private bedroom rate.

## University Village, Summer Zone:

**A, B, E, F, G, & J**

### How to Apply

Students may submit the [Summer Request and License Agreement](#). Students should complete this form by April 30.

Specific roommate, room type, or location requests can be made, but are not guaranteed. One-bedroom units are very popular, but most are filled by students staying in the same unit or by those who will live there in the fall.

Summer housing ends on 8/5/22, regardless if you have Summer III classes. Plan in advance if you will not be living on campus in the fall.**

## Utilities Change!

Students no longer have to set up, close, and coordinate payment of utilities services on their own. This includes, electricity (trash and sewage were part of this bill) and gas. APU has always paid for water service.

## How does it work now?

The cost is now part of the rate that you pay for housing that is applied to your student account at APU. To be clear, there will be one housing rate on your student account, not separate rates for housing and utilities.

## Do I need to do anything?

Just shut any existing service you have on in your name at the end of the spring term (May 8<sup>th</sup>, 2022). Please see the link below with instructions from Azusa Light and Water on how to Set Up, Transfer, or shut down service. Follow the steps on cancelling service.

[Azusa Light and Water Letter to Students: How to Set Up, Transfer, or Cancel Service \(PDF\)](#)

## What if I'm staying in the same unit for spring and summer?

Those continuing in the same unit will be contacted regarding the transition of utilities from their name to APU. Stay Tuned!

# Summer Housing Reminders

## Summer Check-in

Students may check into their *Summer Housing* or *Summer I* space beginning **Monday, May 9, 2022 at 3pm** at the Residence Life service window in Engstrom Hall. Residence Life will be open until 10pm.

## Extra Day for Spring Checkout

You will not be homeless for a day! The general checkout deadline of May 8, 2022 at 3pm does not apply to you. All summer residents must be out of their spring unit by 12pm on Tuesday May 10, 2022. Please be prepared for your move. Be packed, cleaned, and ready!

## Be patient, many moves are taking place

Because the transition from spring to summer is very tight, there may be some delays getting into your summer unit on Monday. Please have patience. This is the reason we are giving students until Tuesday at 12pm to be checked out of their spring assignment. It is possible that you may have to wait for a spring resident to move out of your summer unit. If there are any issues during your move, please find your new RA or GRC so they can assist.

## Summer Work Projects

There are always work projects going on through the summer. These projects are essential in the general upkeep of the living areas. At times, these projects may cause some inconvenience. Thanks for your patience as we continue to improve the campus.

## Parking

Summer parking is coordinated through Campus Safety (permits and gate remotes). After you've been assigned to summer housing, please contact Campus Safety to obtain parking.

## Work Orders

Maintenance and furniture requests may be submitted online via your [home.apu.edu](http://home.apu.edu) portal. Please note, extra furniture will not be removed, even if students are not assigned to a space or there is a private bedroom.

## End of Summer Checkout

If you are staying until the end of summer and are a fall resident, you will check out of your summer unit and into your fall unit on 8/5/22. If you are not a fall resident and paid for the entire summer, your checkout is also 8/5/22. **This date is not flexible**, so please plan ahead!

If you are paying for only specific weeks, your checkout will be the Saturday of the week you have paid through.
