I authorize Azusa Pacific University to deposit my NET pay via direct deposit or to my ALINE account(s) as indicated above. If funds to which I am not entitled are deposited to my account(s), I authorize the University to direct the financial institution(s) to return said funds. I understand that it is my responsibility to verify that payments have been credited to my account(s) and that the University assumes no liability for overdrafts for any reason. I understand that, in the event that my financial institution(s) is/are not able to deposit any electronic transfer into my account due to an action I take, the University cannot issue to me replacement NET funds until the original NET funds are returned to the University, which may take up to five business days after the payday. I understand that this authorization will override any previous authorization and will remain in effect until revoked by my written request. I understand that I must immediately notify APU Payroll before I close any/all account(s) listed above while this authorization is in effect.

IMPORTANT INFORMATION ABOUT APPLYING FOR A NEW PREPAID CARD ACCOUNT

To help the US Government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. What this means for you: When you open a Prepaid Card account, ADP may require your name, address, birth date, SSN, driver's license number or other information to confirm your identity.
