SOCIAL EQUITY

Affirmative Action and Non-Discrimination

The MSW program is committed to equal opportunity and to non-discrimination for all students, and to ensuring that students are not discriminated against on the basis of race, color, national origin, gender, religion, sexual orientation, age, disability, or status as a veteran. Please refer to the Statements of Compliance (under General Information) in the Graduate Catalog, the Expected Standards of Student Conduct in the Student Handbook, and the Faculty Standards of Behavior in the Faculty Handbook. Students who believe they have been discriminated against are encouraged to consult and follow the student grievance policy as outlined in the APU Student Handbook or Graduate Catalog and to consult with the program director.

Policy on Disability/Special Needs

The MSW Program will make every effort to assist students with disabilities to participate fully in the Program. Students who have a disability that might prevent them from fully demonstrating their abilities should meet with an advisor in the Learning Enrichment Center as soon as possible to initiate disability verification and discuss accommodations that may be necessary to ensure full participation in the successful completion of course requirements. Students should also inform the director of field education of any accommodations that may be necessary while completing field education requirements at the field internship site. Please visit www.apu.edu/lec or call (626) 815-3849 for further information.

Sexual Harassment Policy

The MSW Program is committed to providing a learning environment free of sexual harassment. Should a situation of sexual harassment arise, the MSW Program will adhere to current university guidelines. Under these guidelines, however, if a student discloses to a professor a situation of harassment occurring within the APU community, the professor is not allowed to keep this information confidential, and must follow up according to university procedures.
Child Abuse Reporting Policy

The university is committed to the safety of children everywhere. If, during the course of participating in the MSW Program, a student discloses (whether verbally or in writing, including in course assignments) evidence of child abuse or neglect, university policy requires faculty and staff to report the disclosure to university legal counsel and the proper authorities.

ADMISSION TO MSW PROGRAM

University Requirements

University graduate admission and MSW Program requirements must be met before an application is complete. University admission requirements and processes are found in the APU Graduate Catalog and are currently as follows:

1. A bachelor’s degree from a regionally accredited institution.
2. A cumulative minimum 3.0 GPA is required (submit transcripts with application).
3. Candidates with a GPA of 2.5-2.99 will be considered for provisional admission. The provisional status requires maintaining a minimum cumulative GPA of 3.0 and no grade lower than “B-” in the first 12 units. The student who does not meet this requirement will be dismissed from the MSW Program.
4. All students graduating from non-English speaking institutions must also meet TOEFL requirements (see “TOEFL Requirements under International Graduate Admissions” in the Graduate Catalog).
5. Azusa Pacific University does not discriminate in its admission policies or practices on the basis of race, color, national origin, gender, age, disability, or status as a veteran in any of its policies, practices, or procedures.
6. All non-U.S. permanent residents should refer to the International Graduate Admissions section in the APU Graduate Catalog.

MSW Program Requirements

The specific criteria for seeking MSW admission are:

1. Completion of the MSW Application for Admission form.
2. Completion of Statistics course (3 semester units, grade “C” or higher). If Statistics has not been taken at time of MSW application, it must be completed (at any regionally accredited college or university) prior to start of MSW Program in Fall. Proof of registration in a Statistics course must be given to the MSW director of student services by April 1, with proof of progression given by June 15. Proof of completion is due by September 1. Students will be admitted on provisional status until proof of completion of course is submitted, upon which time provisional status will be removed.
3. Willingness to participate in an admission interview, including a writing sample.
4. Three reference letters specifically discussing professional and/or academic interests and aptitude for MSW education. References are to be limited to individuals familiar with academic and/or professional abilities.

   d. Discussion of a social problem of interest to you, including your perceptions of the causes of, and potential solutions to the problem.
   e. Discussion of an ethical challenge you have encountered in professional, field, or volunteer work and how you resolved it.

Personal statements are assessed based on:
- Writing and organizational skills;
- Evidence of professional commitments to service and social justice;

- Engagement in employment, volunteer work, leadership activities, and/or other experiences relevant to professional social work.

7. For Advanced Standing applicants, a working knowledge of the Diagnostic and Statistical Manual (DSM) is recommended. Abnormal Psychology is a suggested prerequisite unless DSM knowledge has been gained through work experience.

**TECHNICAL STANDARDS**

The Social Work Department welcomes students from various diverse backgrounds to apply for admission. The BSW and MSW programs necessarily place specific requirements and demands on students accepted into the program. The following is a description of the technical standards that establish the essential qualifications required for safe and competent performance of the duties and skills needed in the social work profession.

If a student believes that he or she cannot meet one or more of the technical standards with or without accommodations or modifications, APU will determine, on an individual basis, whether or not necessary accommodations or modifications can reasonably be made.

Students must have and maintain:

1. Physical strength and stamina to perform satisfactorily in classroom and social work agency settings.
2. Physical mobility to transport to and from their classroom, field internship agency and additional field meeting sites.
3. Functional use of the senses to acquire and integrate data in order to conduct accurate observations in the classroom and in field settings.
4. Language competence to communicate effectively with faculty and students, agency staff, clients and other professionals.
5. Reading and comprehension skills at a level and speed to respond to reports and other written documents in a timely manner.
6. Writing skills at a college level and produced within a timely manner.
7. Cognitive abilities to interpret objective and subjective data and functional use of abstract reasoning to problem-solve.
8. Mental adaptability to work under pressure in emotionally charged situations and unpredictable environments, and to demonstrate an acceptable handling of conflict without overt emotional display or aggression.

APPLICATION PROCEDURE

The completed application package should be sent to the Azusa Pacific University Graduate Center. After verification that the application meets the minimum university requirements and is complete, it is forwarded to the MSW Admissions Committee. Students will be notified of their admission status (unconditional acceptance, provisional acceptance, or denial) in writing. **Students are unable to change concentrations after admission to the program.**

*Application Time Line*

Applications for Advanced Standing or early admission status should be received by **January 15** for enrollment in the following academic year, but may be sent in as early as October. Applications for regular admission status should be received by **March 1**.

Applicants receiving an acceptance letter (sent by mail) into the MSW Program must submit the Confirmation of Acceptance form to the director of student services by the required date (indicated in acceptance letter), together with a non-refundable deposit of $250. Students going into field internship in the fall will receive an Application for Field Internship document after the Confirmation of Acceptance and deposit has been received. This must be completed and returned to the field education faculty by the date specified. Students entering field placement must purchase an individual malpractice insurance policy. Information on acceptable policies will be provided by the field education faculty. If applying for student loans, students should complete financial aid documentation (FAFSA) and coordinate with the Graduate Center. Information on graduate financial aid is available in the Graduate Catalog and on the Graduate Center webpage.

**ACADEMIC ADVISING**

The MSW Program has developed specific academic and professional advising policies and procedures in order to assist you in developing a successful academic course plan and to provide professional mentoring for students. The director of student services will advise students (by email) each semester of the registration requirements and course scheduling for the following semester. Students may meet with the director of student services at any time to discuss academic plans/progress. The field education faculty oversees field internships, and are available to discuss any ideas or concerns.
PROFESSIONAL ADVISING

Faculty advisors are also available to discuss future scholarship and career planning, professional development, doctoral program interests, and other issues appropriate to the faculty-student relationship. Students are welcome to speak with any professors, but if they do not have a specific advisor in mind, please refer to the following:

TRANSFER OF MSW CREDITS

Students formerly enrolled in CSWE-accredited MSW programs may submit a list of MSW foundation level courses completed within the last five years for evaluation for transfer of credits. Each course will be evaluated by the MSW Program on a case-by-case basis for compatibility with program requirements. A maximum of 12 units may be transferred. No credit is given for prior field internship hours.

The MSW Program takes responsibility for ensuring that transferred courses are congruent with the curriculum policy statement of CSWE and meet program objectives. For any course in question, the MSW Program will request a copy of the syllabus and bibliography in order to evaluate course objectives and learning activities.

A petition for transfer credit must fulfill the conditions listed below:

1. The work must have been done while the student was enrolled in good standing as a graduate student. A letter from the MSW program director is required verifying the student was in good standing.
2. The work must have been done within five years prior to starting the MSW Program.
3. The school from which the credits are transferred must be accredited by a regional accreditation agency.
4. No transfer grade is less than a “B.”
5. None of the transfer coursework consists of extension or workshop courses.
6. Petition for transfer of credit occurs after acceptance in the MSW Program.

TRANSFER OF ELECTIVE CREDITS

The MSW Program requires two elective courses (total of six units). Students transferring from another graduate program may petition to have up to six units evaluated for possible elective credit. The course(s) must be relevant to the MSW Program and preferably have
been taken within five years prior to admission. Syllabi will be reviewed on a case-by-case basis to assure that prior content is not outdated. Petitions must be submitted to the MSW Program for evaluation. Due to the importance of MSW Program compliance with CSWE accreditation standards, students may be asked to provide course syllabi in order to assess the relevance and timeliness of course material. Once in the MSW Program, students must take elective courses at APU, with the exception of a select pre-approved international courses that may be offered by other social work programs. Independent study may be taken in place of elective courses (see below).

Advanced standing students may not transfer in any elective credit.

INDEPENDENT STUDY

Independent study enables students to enrich their university experience by pursuing learning in a closely supervised program and providing opportunity for individual investigation of subject areas not covered in the regular course offerings. MSW students may receive credit for a maximum of six units of independent study (in place of elective courses) to be applied to the graduation requirement of 60 units (36 units for advanced standing). No more than four units may be applied toward one project. A maximum of four units may be taken during one academic term. The independent study is recorded as SOCW599: Readings in Social Work on the student’s permanent academic record.

Students wishing to pursue independent study should contact a social work faculty member to discuss the possibility of supervising the study. A proposal must then be drawn up by the student and approved by the supervising faculty member, chair, and dean. The Independent Study form and Proposal (available online from the Graduate Center) must then be submitted to the MSW Department for all approving signatures and forwarded to the Graduate Center by the Last Day to Add or Drop Classes or Independent Studies (see academic calendar). An independent study fee of $125 per unit will be assessed in addition to the regular tuition.

STUDENT RESEARCH OPPORTUNITIES

The MSW Program has the following opportunities available for students interested in gaining additional skills in the area of social work research:

- Partner with faculty as a paid/volunteer research assistant. As funded or volunteer positions become available, faculty will post announcements to apply for a research assistant. The number of positions available vary, based on funds and need.
- Conduct a research study for the Capstone Leadership Project (SOCW 541).
- Initiate an Independent Study with a faculty member around an area of interest.
GPA REQUIREMENTS

Continuation in the MSW Program requires a demonstration of academic ability. Students must maintain a 3.0 grade point average in all coursework and must pass all classes with a B- or higher.

MSW COURSE REQUIREMENTS

Full-Time Program
The full-time program is a two-year program, with 16 hours of internship per week (only on week days during normal business hours). Additional hours may be required in second year field placements (20-24), depending on agency requirements. Classes are held during the day, with the exception of some electives which may be offered in the evening. All students take the same foundation courses in the first year and specific concentration courses in the second year.

Advanced Standing Program
The *nine-month full-time* advanced standing program is designed for certain qualified BSW graduates. Students admitted into this program take two three-unit advanced standing courses in August (six hours/day of class, five days/week, for three weeks) and then continue directly into the concentration year classes of the full-time MSW program. Field internship is 20 hours/week (only on week days during normal business hours). Please note that 2016
advanced standing students fall under the previous curriculum, for which the schedule has been emailed to all students.

A two-year part-time advanced standing program is also currently available, whereby students take the two three-unit advanced standing courses in August and then join in with the third year part-time cohort to complete the two years of concentration level coursework. A 20 hours/week internship occurs in the final year. Please note that 2016 advanced standing students fall under the previous curriculum, for which the schedule has been emailed to all students.

Part-Time Program
The part-time program is designed to meet the needs of students who wish to continue working while attending the MSW Program. Students attend classes one evening per week (4:20-10:30 p.m.) for all four years. Years one and three also have weekend intensive courses (see notes on table below). The field internship comprises of 16 hours per week in years two and four. Students must be available two week days during traditional agency hours and may need to adjust their work schedule accordingly to meet the field internship requirements.

COHORT TRANSFER REQUEST POLICY

Students are required to apply to either the full-time or part-time MSW Program during the admission procedure. If, during the course of the program, circumstances arise that necessitate a request to change cohorts, students must contact the director of student services and request a petition form. This form must be completed and returned by December 1 of the year prior to the requested change date. Any cohort changes must be made at the half way point of the program (after year one of the full-time program, or year two of the part-time program). If the student is in good academic standing, has a valid reason for the change request, and there is room in the desired cohort, attempts will be made to allow the switch. No guarantees are made that a change of cohort is possible, therefore students must be prepared to complete the MSW Program in the cohort to which they are admitted.

CONCENTRATION TRANSFER REQUEST POLICY

Students are required to apply for a specific concentration during the admission procedure. The MSW program is unable to consider concentration changes after admission because of various program/class size/field internship planning reasons. Students are advised at the time of admission acceptance that they are unable to change concentrations and sign an acknowledgement of understanding on the Confirmation of Acceptance form.

Petitions for an exception to this policy may only be considered under the following circumstances:

a. If there is an unequal distribution of students among the concentrations within a particular cohort and the petition is to move from the concentration with higher enrollment to the concentration with lower enrollment; and
b. If the student is in good academic standing in both coursework and field internship.

Requests must be received in writing by December 1 prior to the concentration year(s) of the program. Please contact the director of student services to request a Concentration Change Request Form.

ATTENDANCE POLICY

Arriving promptly to class, coming fully prepared, and participating actively in the discussions and activities are important components of the learning experience. The following standards are intended to clarify expectations and policies regarding missed class time.

1. A sign-in sheet will be used to record attendance at the beginning of each class session. Missing any part of class may be considered an absence; student must communicate with instructor in advance of anticipated missed class time.
2. No more than one absence* is permitted per semester (for any reason). A second absence results in a 10% reduction in the overall course grade. At faculty discretion,
for a second absence students may be given the option of making up the 10% by submitting an alternative assignment as developed by the instructor to make up the class content. A third absence or missing an additional three-hour period of class will result in an automatic 10% grade reduction without option for make-up.

3. Students missing more than nine hours for three-unit course, or six hours for two-unit course will not be allowed to pass the course (resulting in an F).

4. If a student determines they have a medical condition that necessitates missing more than two consecutive coursework days or two consecutive field internship days, they can submit a department request for extended medical leave, with documentation from their treating physician, in order to work out a course plan, as indicated with the professor, to avoid grade reduction. For ongoing health related situations, students will be referred to the Learning Enrichment Center, to develop a formal plan for accommodations.

*Note: For Saturday courses: three hours = one absence
   For three or two hour classes: one class (three or two hours) = one absence

LEAVE OF ABSENCE POLICY

If circumstances arise that prevent a student from continuing in program temporarily, Karen Maynard, director of student services, should be contacted to discuss the possibility of a leave of absence. A one-year leave of absence may be granted in such circumstances as serious illness. If approved, the student will rejoin the program the following year with another cohort. A Request for Leave of Absence form can be downloaded from: http://www.apu.edu/graduatecenter/download/.

**MSW STUDENT ASSOCIATION**

The purpose of the MSW Student Association (MSWSA) is to be a liaison for students with the MSW Program and faculty, facilitate faculty/student communication and collaboration, organize student extra-curricular and developmental events, serve the surrounding community, and work with the MSW Program on issues related to student affairs, social justice, political advocacy, and program development. The MSW Student Association may also combine efforts with the BSW student organization (Club Social Work). Monthly meetings are arranged by student leaders. Students are advised of leadership opportunities early in the Fall semester and are encouraged to participate in the nomination and voting process. In addition to official MSWSA officer positions, each student cohort has a liaison to facilitate communication with MSWSA.

MSWSA members may be appointed to ad hoc committees within the MSW Program (such as the curriculum review committee, student conduct board hearing, etc.) to assist faculty. Students will also be called upon for input on faculty candidates who have been called to interview on campus. The MSWSA faculty liaison (currently Dr. Olivia Sevilla) meets regularly with the MSWSA president in order to discuss any student ideas, concerns, suggestions, event planning, etc. regarding the MSW Program and policies. MSWSA officers are invited to attend faculty meetings in order to discuss student concerns, ideas, and suggestions with the department.

**STUDENT RIGHTS AND RESPONSIBILITIES**

The MSW program invites and welcomes student participation and feedback as we work together to deliver a high quality program that prepares advanced social work practitioners. Students are invited to participate in the MSW Student Association, to participate or organize other interest groups, and to participate in graduate student government.

Students are highly encouraged to talk with faculty if there are questions or concerns regarding classes. Field faculty are available to discuss issues related to field internships, and the director of student services is available to discuss such issues as medical leave, leave of absence, academic planning, and study abroad/independent student options. If students feel that issues have not been resolved through these channels, they are encouraged to make an appointment to speak with the program director/chair.

It is the student’s responsibility to provide accurate feedback on both strengths and challenges in the program through various feedback mechanisms, including but not limited to, course evaluations, exit surveys, and alumni surveys. Student feedback is critical to
helping the MSW Program undergo ongoing evaluation and curricular improvements. A full description of student rights and responsibilities can be found in the university graduate catalog, including processes for filing a grievance, academic integrity, and grade change policies.

PHI ALPHA HONOR SOCIETY

Social work students participate in the Phi Alpha Honor Society, a national honor society for social work students, under the advisement of a faculty member. The Azusa Pacific University Chapter was created in 1997. MSW students with a 3.6 GPA (and in good academic and professional standing) are eligible to join Phi Alpha Honor Society in the final semester prior to graduation. Students who are eligible to join will pay a $20 lifetime membership fee to Phi Alpha and will receive a certificate, together with a medal to be worn at graduation. Students will be inducted into Phi Alpha at the MSW graduation banquet held a few days prior to graduation.

FIELD INTERNSHIP REQUIREMENTS

Upon confirmation of acceptance into the MSW Program, students entering field must submit the Application for Field Internship. Students must show proof of liability insurance coverage by August 5, 2016 in order to begin field internship on time in the 2016-2017 academic year. Information on reputable insurance providers will be provided by the field faculty. It is the student’s responsibility to have reliable transportation to and from the field agency. 

Note: some agencies require the use of a car during internship hours for such activities as home visits and commuting between agency sites. Students are never allowed to use their own vehicles to transport clients. However, students may be allowed to transport clients in agency vehicles under certain conditions as outlined in the Transportation Waiver Form. Please review the section in the Field Education Manual, “Automobile Use and Transportation,” and contact the field faculty if this is an agency requirement.

Please note: Many agencies now require fingerprint clearance, background checks and health clearances as part of the pre-placement process. Students are responsible for payment of these expenses if the agency does not cover the cost. Some agencies also require intern, prior to acceptance to their field internship, to undergo standardized psychological evaluation. Questions about any of these requirements may be addressed with the Director of Field Education. Agencies may also require that students maintain a health insurance policy as a condition of accepting the field internship (please contact the Graduate Center if you are interested in purchasing student health insurance through APU).

Social Work Field Internships: The MSW Program offers a comprehensive field education experience for both foundation students (first year for full-time students, second year for part-time students), and concentration year students (second year for full-time students, fourth year for part-time students, first year for full-time Advanced Standing students, and second year for part-time Advanced Standing students). The foundation year field education experience focuses on exposing students to generalist social work practice with individuals, families, groups, organizations and communities. The foundation year field internship setting
is determined by the field faculty and is based on the availability of learning activities that facilitate the development of professional identity in social work, generalist practice skills, and knowledge, ethics, and values. Examples of foundation level practice skills are client engagement, assessments, micro and macro level interventions, and evaluation of practice effectiveness. At the concentration level, students are placed in agencies that offer advanced micro or macro level field experiences. For the Clinical Practice and Partnerships concentration, agencies that offer advanced clinical training opportunities to students are selected. For the Community Practice and Partnerships Concentration, agencies involved in community organization, program administration, policy, and advocacy will be considered. Field sites are screened and selected based on the availability of social work experiences as well as values and ethics consistent with the requirements of the Council of Social Work Education (CSWE). In addition, the MSW Program recruits agencies that serve diverse ethnic, cultural, and socio-economic client populations. MSW students will spend a minimum of 480 hours each year in the field, for a total of 960 hours at graduation. Advanced Standing students are required to accrue 600 field internship hours.

Field Seminar is a co-requisite course, taken concurrently with Field. If a student fails Field or Field Seminar and must repeat it the following year, the concurrent Field/Field Seminar must also be taken. Successful completion of both Field Seminar and Field with a grade of B- or above is required in order for the student to advance to the concentration year field internship. All Field and Field Seminar courses must be completed to meet minimum graduation requirements.

Please note that students are typically required to complete 16 hours/week of field internship, however some concentration year internships require additional hours as a condition of placement. Field credit is not given for life experiences or for previous or current work experience.

Conduct in Social Work Field Internship: Students are expected to abide by the Department of Social Work Code of Conduct, Azusa Pacific University’s Standards of Conduct (see Graduate Catalog), and the NASW Social Work Code of Ethics. Failure do so may result in disciplinary action or dismissal from the field internship and/or the MSW Program. If students disagree with disciplinary actions taken at the department level, they may appeal using the Graduate Student Grievance Procedures described in the Graduate Catalog.

AGENCIES

The Department of Social Work has approved many community-based agencies as MSW field internship sites throughout Los Angeles, Orange, San Bernardino, Riverside, and Ventura counties. These agencies have met the minimum requirements set forth by APU Department of Social Work field faculty, including the availability of diverse social work training opportunities and supervision by qualified social work professionals. Agencies typically conduct student pre-placement interviews to assess an individual’s motivation and preparedness for entrance into the field setting as a student learner.

SOCIAL WORK CONDUCT CODE

VIOLATION OF THE UNIVERSITY ACADEMIC INTEGRITY POLICY

The mission of Azusa Pacific University includes cultivating in each student not only the academic skills that are required for a university degree, but also the characteristics of academic integrity that are integral to a sound Christian education. It is therefore part of the mission of the university to nurture in each student a sense of moral responsibility consistent with the biblical teachings of honesty and accountability. Furthermore, a breach of academic integrity is viewed not merely as a private manner between the student and an instructor but rather as an act which is fundamentally inconsistent with the purpose and mission of the entire university.

A full description of what constitutes an academic integrity violation can be found in the APU Graduate Catalog online under Academic Policies and Procedures. Note: academic integrity includes cheating (including self-plagiarism), fabrication, facilitating academic dishonesty, and plagiarism. Please refer to the catalog for a full description of each of these
areas. Students found to be in violation of the Academic Integrity Policy will be subject to sanctions as outlined in the catalog, and/or the Social Work Code of Conduct.

DEPARTMENT OF SOCIAL WORK PROGRAM APPEAL, PROBATION, AND TERMINATION PROCEDURES

These procedures begin the process for addressing alleged violations of the Social Work Conduct Code. However, behaviors which violate the Social Work Conduct Code may also violate other university rules such as the Student Standards of Conduct in the Student Handbook or University Catalog. Other departments within the university, including, but not limited to, Student Life, may take action against a student under such rules at the same time the program is proceeding against the student under these procedures.

The MSW program has clear and concise policies and procedures for terminating student enrollment in the program and field internship. Every effort will be made within the program to work with and address potential student problems prior to reaching the point of initiating probation or termination proceedings. The student in jeopardy of possible dismissal may be advised by the MSW program director, individual faculty member(s), the director of student services, his/her faculty advisor, agency field instructor, or the director of field education of his/her deficiencies and options for improvement and resolution. The MSW director of field education, in consultation with the field faculty, has the authority to take immediate corrective action regarding student’s ongoing participation in field internship. At the time of such advisement, students will be provided with a written copy of the warning and specific remediation guidelines to be completed within a given time frame. This serves as formal notice of the need for improved conduct. If the student does not amend specified behavior, he/she is subject to dismissal from the MSW program.

Charges

Any faculty or staff member of the program or an agency field instructor (the “Charging Party”) may file charges against a student (the “Accused Student”) for violations of the Social Work Department Conduct Code (the “Code”). A charge shall be prepared in writing describing the violations and referencing the applicable policies and copies shall be provided to the program director, the director of field education, the agency field instructor (if the violation occurs in the field) and the Accused Student. Any charge should be submitted as soon as possible after the event takes place, preferably within two business days. Pending the resolution of the charges, the program director may take interim action based on the nature of the charges, including but not limited to, restricting the student from participating in field work.

Sanctions

Sanctions for violations of the Code range from a warning, to probation, to loss of privileges, to expulsion from the Social Work program. Upon investigation, the program shall advise the parties of its decision within two business days and shall issue a written statement of its decision, and sanctions including a statement of the findings that support the decision, within ten days.
**Appeals**

Students wishing to appeal a sanction should follow the Graduate Student Grievance and Appeal Procedures, as stated in the Graduate Catalog.

**ADDITIONAL PROGRAM REQUIREMENTS**

*University e-mail Accounts*

The university provides students with an e-mail account by which the university, MSW Program, and individual faculty can contact students. The MSW Program and faculty regularly make announcements and provide important information via e-mail. **It is your responsibility to maintain and check these accounts daily.**

*Attendance at MSW Program Meetings*

Such meetings may involve program policies, accreditation visits, or other issues of concern to all involved in the MSW Program. Every effort will be made to give students prior notice of the date of such meetings so that attendance is possible.

*Retaining Course Syllabi*

It is strongly recommended that students maintain a file with all courses descriptions and syllabi, including field internship learning agreements, and evaluations. Doing so may assist with future the process of securing employment, licensure, and/or post-graduate certifications.

*Application for Graduation*

Graduation is not automatically granted upon completion of all coursework. Students intending to graduate in May must complete an *Intent to Graduate* form and submit it to the Graduate Center prior to January 15.
