

## **MATUL Personal and Ministry Statement**

(2-4 pages)

Use the following questions as an approach your MATUL Personal and Ministry Statement by simply telling your story:

- Why are you pursuing training for Faith-Rooted Transformation of the City?
- How did your family's religious background (or lack thereof) shape your life?
- What instruction and experiences impacted your subsequent life journey?
- What struggles have you faced? Who or what helped you through these conflicts and instilled in you, either by word or example, the values and qualities that now guide you? What significant decisions did you make at key turning points in your life?
- Describe any relevant ministry work within the urban context.
- How does ministry experience and your faith inform your desire for life among marginal communities and Faith-Rooted Transformation of the City?
