Math and Physics Fellowship Teacher Evaluation Form

Section A – Student Information

Student Applicant’s Last Name: ___________________________  First Name: ___________________________  MI: __________  APU ID Number: __________

This student is applying for the Math & Physics Fellowship at Azusa Pacific University. We would greatly appreciate your taking a few minutes to candidly reflect upon the student’s ability to succeed in a rigorous university-level physics or math program, their desire to continue in graduate work in such a major, and their ability to work with a mentor assisting in university research. We are particularly interested in their academic background, personal initiative, ability to work independently and Christian commitment.

Section B – Evaluator Information

Name of Teacher completing this evaluation: ___________________________  Years you have known student: ________

Name of School: ___________________________

Courses the student has completed with you: ___________________________

Section C – Student Evaluation

Please evaluate the student on the following items based upon comparison to the last four year’s worth of students in your classes using a 1 to 10 system with 10 being highest. If you do not feel you are qualified to judge the applicant in any area, simply put NA.

Academic ability: ________  Physics/Math Background: ________
Study skills: ________  Commitment to the discipline: ________
Written communication: ________  Oral communication: ________
Ability to work independently: ________  Personal initiative: ________
Christian maturity: ________  Christian commitment: ________

Attach a separate letter or make comments on the back of this form regarding any of the items above or any other information you believe would assist us in evaluating this student.

Return this form to the student in a sealed envelope and sign your name across the envelope flap. The student’s application and attachments must be postmarked February 1, 2018.

Teacher’s Signature: ___________________________  Date: ___________________________
