

# Free Online Workshops!

## Summer 2018

One-on-one online workshops are now available this summer! Set up an online workshop appointment with one of our professional writing coaches to review any of the topics listed below.

### APA Formatting

- Reviews fundamental document formatting requirements
- Focuses on visual formatting elements (creating columns, headings, long quotations, etc.)

### APA Citations

- Explores discussing sources for clarification of complex and detailed materials
- Focuses on specific textual wording choices to clarify sources

### Writing Killer Intros

- Discusses how to slay readers with your introductions!

### Integrating Sources & Avoiding Plagiarism

- Demonstrates how to properly acknowledge sources
- Covers quoting, paraphrasing, summarizing, and signal phrases

### MLA Refresher

- Introduces MLA formatting and style
- Covers how to master citations in MLA style

### Smartphone Writing\*

- Shows how to use smartphone apps to manage time and get a head start on researching and writing essays

\*APU Mobile, Google Drive, Google Docs, and Adobe Acrobat apps must be downloaded on your phone before the workshop.

### Technical Writing

- Introduces basic technical and business writing skills
- Focuses on readability through clear, concise, visual writing

### The Art of the Argument

- Covers the basics of writing arguments (thesis statements, evidence, audience, and addressing counterarguments)

### Zotero

- Introduces Zotero, citation management software that helps organize sources and automatically formats citations and bibliographies in APA, Chicago, or MLA

(Workshops typically last 45-60 minutes)
