**Website:** [www.cancer.org](http://www.cancer.org)

**Eligibility:**

- Applicants for American Cancer Society grants and awards must at the time of application be United States citizens, noncitizen nationals, or permanent residents of the United States.
- Permanent residents must submit with the application notarized evidence indicating that they have a Resident Alien Card or “Green Card” (I-551) or have been approved for the issuance of such card as evidenced by an official passport stamp of the United States Immigration Service or a form I-797 Notice of Action which indicates that the application for permanent residence has been approved.
- Non-citizen nationals are persons who, although not US citizens, owe permanent allegiance to the United States. They are generally persons born in outlying US possessions (e.g., American Samoa and Swains Island).

**Scholarship Information:**

Scholarship awarded to graduate students pursuing doctoral study in the field of cancer nursing research and nurse scientists' careers. Initial awards are made for up to two years with the possibility of a two-year renewal.

Note: grant application materials become available July 1<sup>st</sup>.

Eligible applicants are recipients of an initial 2-year Doctoral Degree Scholarships in Cancer Nursing who demonstrate satisfactory progress in their doctoral programs in cancer nursing research. The grant provides up to two additional years of funding with an annual stipend of \$15,000.
