Certification must be completed by January 31st for spring admits and September 30th for fall admits. All other GE requirements still apply. Some majors may require specific math and foreign language courses.

Please note:

- General Education requirements are determined by the University Catalog published the year you enroll at APU, so the following requirements are subject to change.
- General Education courses may also count towards major requirements, but the same course cannot count for multiple GE requirements.
- A limit of 70 units may be transferred to APU from Chabot College.
