

## General Education Transfer Plan Golden West College to Azusa Pacific University

### WHAT is this transfer plan?

### Please note:

- General Education requirements are determined by the University Catalog published the year you enroll at APU, so the following requirements are subject to change.

- No more than 90 units from a combination of two and four-year schools may be transferred to APU.
- Only courses with grades of C- or better are eligible for transfer (some majors require higher grades for certain courses).
- Courses are considered transferable (and at the very least, granted units) if they are designated as CSU/UC Transferable in that institution's catalog.
- Some departments include specific GE courses as part of their major requirements. It is the student's responsibility to check the APU catalog to know which requirements those are.
- Students who are within 1 year of graduation should check with their Academic Records Specialist in the Undergraduate Enrollment Services Center before taking a class outside of APU.

### Reminders for Prospective APU Students:

- There is no minimum unit requirement for admission to APU.
- A student is considered a transfer student once they have completed 12 units of college-level course work.
- Please see [APU's current University Catalog](#) for additional information regarding admissions as a transfer student.
