

## Articulation and General Education Guidelines Modesto Junior College to Azusa Pacific University

Any course not listed in this agreement but that is designated as CSU or UC transferable in the Modesto Junior College catalog will transfer to APU as unit credit only. Only courses where a grade of C- or above has been earned will be considered for transfer credit. APU will give credit for no more than 70 units of community college work. Please see APU's current course catalog for additional transfer and admissions information.

### Have you completed IGETC or CSU GE-Breadth Certification?

APU accepts the full IGETC and the CSU GE-Breadth Certification to satisfy the following requirements:

- Intellectual and Practical Skills (except Writing 3)
- Knowledge of Human Cultures and the Physical and Natural World
- Personal and Social Responsibility
- Philosophy from Biblical, Theological, and Philosophical Formation

Certification must be completed by January 31<sup>st</sup> for spring admits and September 30<sup>th</sup> for fall admits. All other GE requirements still apply. Some majors may require specific math and foreign language courses.

Please Note: Certification must be completed by January 31<sup>st</sup> for spring admits and September 30<sup>th</sup> for fall admits. Some majors require specific Math and foreign language courses.

## General Education Requirements for Azusa Pacific University

| Requirement                                                             | Helpful Hints & Comments                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
|-------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| First-Year Seminar                                                      | Course must focus on orientation to college academics while maintaining instruction in orientation, transitions, and holistic wellness. Typically, a 3-unit course. Not required for students who transfer in 30+ units.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Writing 1: The Art & Craft of Writing                                   | Any first-semester composition course. Often titled "Freshman Composition," "College Composition," or "Reading and Composition." Must include basic research skills and a research paper.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Writing 2: Genre, Evidence, & Persuasion                                | Courses titled "Critical Thinking," "Advanced Composition," etc., that follow a basic freshman level writing course. These courses involve the use of logic, critical thinking, rhetoric, and advanced composition. In addition, genre-specific writing courses will introduce students to the genres of writing, rhetorical moves, and forms of evidence in a specific discipline. Possible courses include: Writing in the Humanities, Writing in the Social Sciences, Writing in the Arts, Writing in Theology, Writing in Business, Writing in Nursing, etc. Must include a research component.                                                                                                                                                                                                                 |
| Writing 3: Writing in the Disciplines                                   | This category focuses on preparing students to be professionals in a field by being independent thinkers capable of constructing their own knowledge, including producing polished writing products in the genres of writing that students are likely to use in their future professions. Most courses in this category are required for the specific APU major and are therefore not likely to be fulfilled by a student's transfer work.                                                                                                                                                                                                                                                                                                                                                                          |
| Oral Communication                                                      | Any Public Speaking or Oral Communication course. Must contain at least 3 individual public speeches. Also, communication courses in Interpersonal, Small Group, Argumentation and Debate, and Intercultural areas are acceptable ( <u>however, some majors may require Public Speaking</u> ). Cannot be taken as a hybrid course.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| Fitness for Life                                                        | Any physical activity course with a cardio component and instruction in fitness principles. This includes individual activities, team sports, dance, yoga/mat exercise courses, and intercollegiate sports. Activities with limited physical activity such as badminton, golf, bowling, etc. will not fulfill the requirement.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Quantitative Literacy                                                   | Any course from the Math department of the transferring school that has a prerequisite of Intermediate Algebra. <u>However, certain majors require College Algebra</u> . Please refer to the APU catalog to determine whether or not your major requires College Algebra. In addition, Statistics and Applied Statistics courses (e.g. "Statistics for Behavioral Sciences") with an Intermediate Algebra prerequisite will meet this requirement.                                                                                                                                                                                                                                                                                                                                                                  |
| Biblical, Theological, & Philosophical Formation-Philosophy Requirement | Must be a broad philosophy course such as Intro to Philosophy, History of Philosophy, philosophy-based Logic, Critical Thinking, and Ethics. All other courses must be evaluated by the Department of Theology & Philosophy for transfer.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Humanities- History, Literature, & Fine Arts Requirement                | Must choose one course from each discipline (3 courses total): History, Literature, and Fine Arts. History courses must be survey courses in world, western, or U.S. history (typically split into two time periods). Literature courses must be broad, surveys of literature that explore the literary genres of fiction, drama, and poetry. Fine Arts courses must be broad, survey courses in Art, Music, Drama, or Theater (sometimes History of Cinema, Drama, or Theater courses) covering approximately 100 years. These must be lecture courses and not studio or applied courses such as drawing, painting, singing, piano, etc. Examples of acceptable courses from these categories include (but not limited to) World Civilizations to 1648, Intro to Literature, Art History, Music Fundamentals, etc. |
| Social Sciences                                                         | One course from the following disciplines: Sociology, Psychology, Economics, Anthropology, Communication Studies, or Political Science. Examples of courses include (but not limited to) Intro to Sociology, General Psychology, Intro to Criminal Justice, Cultural Anthropology, Mass Media, etc.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Natural Sciences                                                        | One course: lecture and lab component required. Any basic course in the life or physical sciences. Examples of courses include Fundamentals of Biology, General Biology, Fundamentals of Chemistry, General Chemistry, Introduction to Astronomy, Physical Geology/Geography, Fundamentals of Physics, General Physics, Oceanography, Zoology, Marine Biology. Biology and Chemistry labs cannot be taken online. <u>However, certain majors require specific science courses</u> . Please refer to the APU catalog to determine whether or not your major requires specific science courses.                                                                                                                                                                                                                       |
| Foreign Language                                                        | One full academic year (2 semesters or 3 quarters) of the same foreign language are required OR proficiency verified by a variety of options, including SAT, AP, CLEP, FLATS, or passing score on an APU Proficiency Test. (waived with full CSU GE Cert. or IGETC). High School courses taken do not waive this requirement. Must be college level.                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| Civic Knowledge & Engagement                                            | One course that equips students to understand civic institutions and processes, and develops knowledge of critical thinking about civic principles, or to make wise, informed decisions about effective civic action through engaging students in civic activity and scholarly reflection. Examples of courses include (but not limited to) American Government, State and Local Government, Comparative Government, Religion and Society, Child Welfare, etc.                                                                                                                                                                                                                                                                                                                                                      |
| Intercultural Competence                                                | One course that will equip students to engage with others from diverse cultures with compassion and respect. Course will help students achieve higher levels of personal and social responsibility. May involve study away, service-learning, or community-based research. Examples of courses include (but not limited to) Multicultural or World Art, Cultural History/Travel Study, Intro to World Music, World Religions, Diversity in the Classroom, Cultural Anthropology, etc.                                                                                                                                                                                                                                                                                                                               |
