Writing 2: Genre, Evidence, & Persuasion	Courses titled "Critical Thinking," "Advanced Composition," etc., that follow a basic freshman level writing course. These courses involve the use of logic, critical thinking, rhetoric, and advanced composition. Most courses in this category are required for the specific APU major and are therefore not likely to be fulfilled by a student's transfer work.
Oral Communication	Any Public Speaking or Oral Communication course. Must contain at least 3 individual public speeches. Also, communication courses in Interpersonal, Small Group, Argumentation and Debate, and Intercultural areas are acceptable ( <u>however, some majors may require Public Speaking</u> ). This includes individual activities, team sports, dance, yoga/mat exercise courses, and intercollegiate sports. Activities with limited physical activity such as badminton, golf, bowling, etc. will not fulfill the requirement.
Quantitative Literacy	Any course from the Math department of the transferring school that has a prerequisite of Intermediate Algebra. <u>However, certain majors require College Algebra</u> . Please refer to the APU catalog to determine whether or not your major requires College Algebra. In addition, Statistics and Applied Statistics courses (e.g. "Statistics for Behavioral Sciences") with an Intermediate Algebra prerequisite will meet this requirement.
Biblical, Theological, & Philosophical Formation-Philosophy Requirement	Must be a broad philosophy course such as Intro to Philosophy, History of Philosophy, philosophy-based Logic, Critical Thinking, and Ethics. All other courses must be evaluated by the Department of Theology & Philosophy for transfer.

History courses must be survey courses in world, western, or U.S. history (typically split into two time periods). Literature courses must be broad, surveys of literature that explore the literary genres of fiction, drama, and poetry. Fine Arts courses must be broad, survey courses in Art, Music, Drama, or Theater (sometimes History of Cinema, Drama, or Theater courses) covering approximately 100 years. These must be lecture courses and not studio or applied courses such as drawing, painting, singing, piano, etc. Examples of acceptable courses from these categories include (but not limited to) World Civilizations to 1648, Intro to Literature, Art History, Music Fundamentals, etc.
Social Sciences	One course from the following disciplines: Sociology, Psychology, Economics, Anthropology, Communication Studies, or Political Science. Examples of courses include (but not limited to) Intro to Sociology, General Psychology, Intro to Criminal Justice, Cultural Anthropology, Mass Media, etc.

Examples of courses include Fundamentals of Biology, General Biology, Fundamentals of Chemistry, General Chemistry, Introduction to Astronomy, Physical Geology/Geography, Fundamentals of Physics, General Physics, Oceanography, Zoology, Marine Biology. Biology and Chemistry labs cannot be taken online. <u>However, certain majors require specific science courses</u> . Please refer to the APU catalog to determine whether or not your major requires specific science courses.
Ancient and Modern Languages	One full academic year (2 semesters or 3 quarters) of the same foreign language are required OR proficiency verified by a variety of options, including SAT, AP, CLEP, FLATS, or passing score on an APU Proficiency Test. (waived with full CSU GE Cert. or IGETC). High School courses taken do not waive this requirement. Must be college level.

Examples of courses include (but not limited to) American Government, State and Local Government, Comparative Government, Religion and Society, Child Welfare, etc.

Course will help students achieve higher levels of personal and social responsibility. May involve study away, service-learning, or community-based research. Examples of courses include (but not limited to) Multicultural or World Art, Cultural History/Travel Study, Intro to World Music, World Religions, Diversity in the Classroom, Cultural Anthropology, etc.
