General Education Requirements for Azusa Pacific University

Requirement	Helpful Hints & Comments
First-Year Seminar	Course must focus on orientation to college academics while maintaining instruction in orientation, transitions, and holistic wellness. Typically, a 3-unit course. Not required for students who transfer in 30+ units.
Writing 1: The Art & Craft of Writing	Any first-semester composition course. Often titled "Freshman Composition," "College Composition," or "Reading and Composition." Must include basic research skills and a research paper.
Writing 2: Genre, Evidence, & Persuasion	Courses titled "Critical Thinking," "Advanced Composition," etc., that follow a basic freshman level writing course. These courses involve the use of logic, critical thinking, rhetoric, and advanced composition. In addition, genre-specific writing courses will introduce students to the genres of writing, rhetorical moves, and forms of evidence in a specific discipline. Possible courses include: Writing in the Humanities, Writing in the Social Sciences, Writing in the Arts, Writing in Theology, Writing in Business, Writing in Nursing, etc. Must include a research component.
Writing 3: Writing in the Disciplines	This category focuses on preparing students to be professionals in a field by being independent thinkers capable of constructing their own knowledge, including producing polished writing products in the genres of writing that students are likely to use in their future professions. Most courses in this category are required for the specific APU major and are therefore not likely to be fulfilled by a student's transfer work.
