

Why does APU require you to submit tax information?

The U.S. government requires colleges to collect this information from a select population of families.

How to submit parent or student 2015 tax information:

Request a **Tax Return Transcript** from the IRS at irs.gov/transcript.

Tips on requesting an IRS Tax Return Transcript:

- Be sure to specify an **IRS Tax Return Transcript**. Do not request an Account Transcript.
- To ensure correct processing, please write the student's name and APU ID number on the transcript before sending it to One Stop.
- Please do not have the IRS Tax Return Transcript sent directly to APU.
