

## **Alexander Jun, Ph.D.**

701 East Foothill Boulevard  
Azusa, CA 91702  
[ajun@apu.edu](mailto:ajun@apu.edu)

### **Education History**

Ph.D. University of Southern California; 2000-Education Administration & Policy

*Dissertation Title*— The price of admission: A qualitative examination of access, mobility, and resilience for historically underrepresented minorities in education

(*Dissertation Chair*: William G. Tierney, Ph.D.)

M.S. California State University, Los Angeles; 1993-Counseling

B.A. University of Southern California; May, 1991-Political Science & Psychology

### **Academic Appointments:**

- Professor of Higher Education: 2008- Present  
Azusa Pacific University (School of Behavioral and Applied Sciences)
- Executive Director & Senior Research Scholar: 2016 – Present. Race and Justice in Higher Education. Azusa Pacific University (School of Behavioral and Applied Sciences)
- Senior Research Scholar: 2004- Present (ongoing appointment)  
Pullias Center for Higher Education Policy Analysis  
University of Southern California (Rossier School of Education)
- Visiting International Research Fellow: 2015-2016  
National Centre for Student Equity in Higher Education (NCSEHE)  
Curtin University (Perth, Australia)
- Associate Professor of Higher Education: 2004-2008  
University of Southern California (Rossier School of Education)
  - Director, Masters Program in Postsecondary Administration and Student Affairs  
Rossier School of Education  
University of Southern California
  - Research Associate: 2003 – 2008  
Center for Higher Education Policy Analysis (CHEPA)
- Assistant Professor, Higher Education (Joint Appointment): 2001-2004  
University of Southern California (Rossier School of Education)

### **Areas of Scholarship:**

- Educational ethnography and qualitative research methodology
- Internationalization and globalization of higher education with emphasis on universities in the Pacific Rim

- Understanding the educational, cultural, and social parameters that influence college access for urban youth, with particular emphasis on first generation college students.
- Understanding racial justice in higher education.

### **Administrative Leadership**

#### **Program Director of Master’s Degree Program**

#### **Postsecondary Administration and Student Affairs 2004-2008**

#### **Rossier School of Education; University of Southern California**

- Spearheaded two-year curriculum review and revision process and created and implemented three additional elective clusters as part of new program offering.
- Increased and achieved enrollment targets by 50% over three-year period (2004-2007)
- Marketed for national recognition of program in collaboration with higher education concentration and other professional schools/departments in educational opportunities
- Coordinated regular program-specific faculty meetings to review, updated, and developed curricula
- Scheduled and sequenced classes; recruit and assign faculty to course schedule
- Oversaw complete restructure of faculty hiring and courtesy appointment system to double faculty participation from previous system

#### **Director of Undergraduate Programs: 2000-2004 (Associate Director ’00-02)**

#### **Office of the Provost; University of Southern California**

- Oversee implementation of a university-wide academic honors program, USC Renaissance Scholars, for graduating seniors who pursue degrees in two disparate academic disciplines.
- Responsible for overall planning, organizing, and implementing of annual Undergraduate Symposium for Scholarly and Creative Work, an academic program that showcases undergraduate research for over 100 undergraduates at the university.
- Oversee a university-wide training curriculum for academic advisors. Develop conceptual model for training, implemented pilot program, and oversee delivery of the mandatory three-day workshops series in which over 120 professional academic advisors have participated.

- Develop a comprehensive on-line resource center for all undergraduate-level research at the university. Created a conceptual model, content, and oversaw implementation. Coordinated with faculty members to create research profiles for public consumption.
- Directly oversee all undergraduate retention efforts for 12 independent colleges and departments, working with department liaisons to ensure accurate accounting of retention and graduation data.

**Assistant Director & Research Associate: 1996-2000**

**Center for Higher Education Policy Analysis; University of Southern California**

- Engaged in longitudinal national evaluative study of college preparation programs for low-income and minority inner-city youth, through a grant from the Ford Foundation.
- Wrote commissioned papers and policy reports pertaining to student access, retention, and postsecondary preparation for historically underrepresented minorities in higher education.
- Examined inter-organizational effectiveness of programs and policy implications from a federal, state, and local perspective.
- Coordinated and facilitated national advisory board to evaluate effective practices of college enrichment programs.

**Assistant Director of Undergraduate Admission: 1993-1995**

**Office of Undergraduate Admissions; University of Southern California**

- Coordinated majority of transfer-related activities with 20 community colleges in southern California.
- Provided transfer guidelines and academic/career advisement to community college students.
- Conducted workshops and presentations on admission guidelines community college faculty and staff in order to facilitate understanding of procedures and ensure successful transfer to the university.
- Developed individual student education plans that adhered to articulation guidelines.
- Served as liaison with other educational institutions, college departments, and schools.

**Summary of Additional Professional Experience**

**Academic Advisor: 1992-1993 (Pasadena City College)**

Provided counseling, academic advisement, educational planning, and career guidance services to students; developed and implemented a career guidance course; conducted group orientation sessions to new students; served as staff liaison for student organizations

**Outreach Counselor: 1991-1992 (Korean Youth & Community Center)**

Provided counseling services to recent immigrants and their families, including drug prevention, gang intervention, and college preparation for junior high and high school students; led workshops on American culture and seminars on immigration stress in both Korean and English; assisted in translation and other emergency relief action for victims of the 1992 Los Angeles Riots; led post-L.A. Riot discussions on race, diversity and tolerance at local inner-city high schools.
