

AZUSA PACIFIC UNIVERSITY

SPRING 2017

Undergraduate Commencement Ceremony

# MESSAGE FROM THE PRESIDENT

Mensaje del Presidente

Jon R. Wallace, DBA

Welcome to Azusa Pacific University's Spring 2017 Commencement. We celebrate this day with our graduates and their families and friends. Your faithful journey in this education endeavor has prepared you to move with faith and confidence toward your goals. Your God-given abilities have been further refined and strengthened under the excellent tutelage of the men and women who comprise the Azusa Pacific University faculty.

Let me extend my warmest congratulations for all that today holds. My prayer is that you will move into a Christ-centered future prepared to keep *God First* in every area of your life. The APU Board of Trustees, faculty, and staff will observe from a distance the remarkable difference that each of you will make in this world. We will hold you in our hearts and minds, and we will support you in our prayers.

God's peace and blessings on this special occasion.

# MESSAGE FROM THE BOARD CHAIR

Mensaje de la Lider del Cuerpo de Directores

Peggy S. Campbell

On behalf of the 30 men and women who serve Azusa Pacific University as trustees, let me add my voice to that of the president and extend warmest congratulations to you on the significant accomplishment being marked today. Though it is the culmination of tremendous investment in every aspect of your life, and by those who have supported you along the way, we know it is also the beginning of what we anticipate will be a lifetime of impact in a variety of spheres of influence.

"We pray that you'll live well for the Master, making Him proud of you as you work hard in His orchard. . . . We pray that you'll have the strength to stick it out over the long haul—not the grim strength of gritting your teeth but the glory-strength God gives. It is strength that endures the unendurable and spills over into joy, thanking the Father who makes us strong enough to take part in everything bright and beautiful that He has for us" (Colossians 1:10-12, *The Message*). May it be so!

## COMMENCEMENT SPEAKER

Orador de la Graduación

### **Miles McPherson, M.Div.**

Miles McPherson, M.Div., is senior pastor of the Rock Church in San Diego, California. Before founding the Rock Church, McPherson spent four years in the NFL playing defensive back for the Chargers (1982-85), during which time he developed a cocaine addiction. A weekend-long drug binge in his second season led him to make a life-changing decision—he called out to Jesus Christ for help, accepted Him, and stopped doing drugs in one day.

McPherson went on to dedicate his life to serving

Christ through the Church, working as a youth pastor for Horizon Christian Fellowship in San Diego and earning a Master of Divinity degree from Azusa Pacific in 1991.

In 2000, he felt called by God to start the Rock Church, which became one of the nation's largest churches; currently more than 18,000 people attend the Rock's 21 Sunday services at one of its four campuses, 30 microsites, and online.

McPherson continues to actively seek ways to support churches and ministries, most recently founding Do Something Church, an organization dedicated to equipping churches to transform the world by successfully meeting their community's needs through innovative outreach strategies. He is also the author of several books, including *Do Something: Make Your Life Count* and *God in the Mirror: Discovering Who You Were Created to Be*.

## UNIVERSITY HISTORY

Historia de la Universidad

Azusa Pacific University, one of the largest Christian universities in the nation, began on March 3, 1899, when a group of men and women passionate about creating a place for Christian education gathered to form the Training School for Christian Workers. Led by President Mary A. Hill, it became the first Bible college on the West Coast geared toward preparing men and women for ministry and service. The school grew to an enrollment of 12 in its first term.

The early years of growth saw the school relocate and change leadership several times. Then, following mergers with three Southern California colleges, the school moved in 1946 to Azusa, where it resides today. Following several name changes, the college achieved university status in 1981 and became Azusa Pacific University. In 2011, University College at Azusa Pacific University (formerly Azusa Pacific Online University) was created in response to the growing demographic of diverse students who aspire to further their education, but are unable to attend a traditional physical campus institution.

Current President Jon R. Wallace, DBA, an APU alumnus and former student body president, assumed the role in 2000 and continues to carry on APU's legacy of passionate leaders in Christian higher education. In 2012, Wallace announced his Vision 2022: *APU will be a premier Christian university and a recognized leader in higher education, a city on a hill that reflects the life of Christ and shines the light of Truth*. This vision focuses on advancing APU's Christ-centered mission, enhancing academic reputation, continuing to value people, and pursuing financial excellence.

Today, APU offers 2 associate's degrees, 68 bachelor's degrees, 45 master's degrees, 1 post-master's degree, and 8 doctoral programs to more than 10,300 students at the university's main campus in Azusa, six regional locations, and online. The university earned a 9-year reaccreditation from the WASC Senior Colleges and Universities Commission in 2013, and holds 13 other specialized accreditations. Since 2003, 35 APU alumni have received Fulbright awards to conduct research or teach English abroad.

More than a century after its founding, Azusa Pacific serves as a comprehensive Christian, evangelical university, dedicated to supporting *God First* and excellence in higher education by preparing disciples and scholars to advance the work of God in the world.

## ACADEMIC REGALIA

### Regalia Académica

As the faculty enter commencement, they display a variety of academic regalia inherited from universities of the 12<sup>th</sup> and 13<sup>th</sup> centuries. Academic life as we know it began in the Middle Ages, first in the Church and then in the guilds. The teaching guild was the Guild of the Master of Arts, where the Bachelor was the apprentice of the Master and the dress was the outward sign of privilege and responsibility. Principal features of the academic regalia are the gown, cap, and hood. Early on, universities set rules to preserve the dignity and meaning of academic dress. American universities agreed on a system in 1895, and in 1932 the American Council on Education presented a revised code. In 1959, the council appointed a committee on academic regalia and ceremonies, and since 1960 the revised code has guided the latest developments.

**The Gown:** Although it originally may have been worn as protection against the cold of unheated buildings, today the gown is symbolic of scholarship, because it covers any dress of rank or social standing underneath. It is black for all degrees, with pointed sleeves for a bachelor's degree; long, closed sleeves with a slit at the arm or wrist for the master's degree; and full-bell double sleeves for the doctoral degree. Bachelor's and master's gowns have no trimming, but the doctoral gown is faced down the front with velvet and has three velvet bars on the sleeves. All Azusa Pacific University undergraduate and doctoral gowns are adorned with a patch bearing the university seal.

**The Cap:** When Roman law freed a slave, that person won the privilege of wearing a cap, so the academic cap is a sign of freedom of scholarship and the responsibility and dignity that scholarship endows upon the wearer. Old poetry records the cap of scholarship as square to symbolize a book. In the 15th century, some caps were stiff, some soft, some square, and some round with a tuft in the center—the tassel used now is an elaboration of the tuft. Though some institutions still use the round cap, most have adopted the mortarboard style, which comes from Oxford. A different style, the Cambridge cap, resembles a large beret and is appropriate for doctoral degrees only. The color of the tassel may denote the discipline; those holding doctoral degrees are entitled to wear metallic-gold tassels.

**The Hood:** The hood, which drapes over the back of the gown, carries the greatest symbolism. Its length, width, trim color, and lining color denote the wearer's highest academic achievement. All Azusa Pacific University master's hoods are adorned with a patch bearing the university seal. The hood's trim color denotes the discipline represented by the degree, and the lining color designates the university or college from which the degree was granted. The colors associated with the different disciplines are as follows:

**Agriculture:** Maize

**Arts, Letters, Humanities:** White

**Business and Commerce:** Drab

**Economics:** Copper

**Education:** Light Blue

**Fine Arts:** Brown

**Forestry:** Russet

**Journalism:** Crimson

**Law:** Purple

**Library Science:** Lemon

**Medicine:** Green

**Music:** Pink

**Nursing:** Apricot

**Pharmacy:** Olive Green

**Philosophy:** Dark Blue

**Physical Education:** Sage Green

**Physical Therapy:** Teal

**Public Administration:**  
Peacock Blue

**Science:** Golden Yellow

**Social Work:** Citron

**Speech:** Silver Gray

**Theology:** Scarlet

## THE PRESIDENTIAL MEDALLION

### La Medalla Presidencial

The presidential medallion is a tangible expression of the president's commitment to and vision for the university, and it incorporates APU's Four Cornerstones—Christ, Scholarship, Community, and Service—and the university seal. The president wears the medallion for all convocations.

## THE MACE

### Maza Ceremonial

Originally a weapon of offense used in medieval warfare by a king or a great noble, the mace has been refined into a symbolic device used on ceremonial occasions. As an academic symbol, the mace dates back to 16<sup>th</sup>-century England, where Queen Elizabeth I presented a replica of her own royal mace to the University of Oxford in 1589. She ordered that it be used in all ceremonies to represent the royal presence and the authority granted to the university to issue degrees under the royal insignia. King Charles I made a similar gift to Cambridge University in 1625. Since that time, it has been customary for European, and now American, colleges and universities to use ceremonial maces during graduation exercises.

The Azusa Pacific University mace is hand-carved from oak. A silver orb and gold-plated, Latin-style cross adorn the staff. The words around the orb indicate APU's Four Cornerstones: Christ, Scholarship, Community, and Service. The base of the orb is made from the wood of the first Azusa Pacific University chapel building.

The protocol for using the mace requires that it be carried into the ceremony by the chief academic officer or another person selected for special recognition, as it is the emblem of authority vested in the administration and faculty of the university to grant degrees. During the ceremony, the mace is placed in a stand on the platform to indicate the ceremony is in formal session.

## APU GATE

### El Portón de APU

Introduced at the fall 2013 orientation for new undergraduate students, the gate now marks a rite of passage for all undergraduate, professional, and graduate students at APU as they process through the gate to celebrate the culmination of their academic journey. Designed in-house and forged off-site, the gate features a bronze university seal. This sacred tradition serves as a tangible reminder to

“begin with the end in mind.” Further, the gate encourages all students to consider the next chapter in their unfolding journey and walk with confidence into the preferred future to which God calls them as difference makers.

## THE SEAL

El Sello

The seal has ancient roots dating back to the fifth millennium. Use of the seal was particularly widespread in Elam, Syria, and Egypt. Throughout history, the seal has assumed varied meanings, but the primary intent has always been for identification purposes.

The university seal identifies Azusa Pacific University as an institution built on Four Cornerstones: Christ, Scholarship, Community, and Service. These four components define why APU exists.

**Christ-centered**—Belief in Christ is central to all that we think and do, and who we are. It is this understanding of God's love that informs all our pursuits: academic, service, and community. *Colossians 1:15-18*

**Transformational Scholarship**—We are called to scholarship permeated by our Christian faith. We are committed to teaching excellence. The liberal arts are central in the curriculum, for we are dedicated to the education of the whole person. At the same time, we value the role of professional offerings that prepare students for specific careers. *Proverbs 4:5-9*

**Life-giving Community**—We believe in community. We are a richly diverse people who value the worth of each individual. Our mission is to encourage, equip, and enable each student to fulfill his or her great potential, and in turn encourage, equip, and enable others. *Romans 15:5-7*

**Sacrificial Service**—Service is at the heart of our local and international outreach, missions, and service-learning endeavors. Our students often find these experiences to be among the greatest of their lives. *Romans 12:9-13*

## MISSION STATEMENT

Declaración de Propósito

Azusa Pacific University is an evangelical Christian community of disciples and scholars who seek to advance the work of God in the world through academic excellence in liberal arts and professional programs of higher education that encourage students to develop a Christian perspective of truth and life.

# HONOR SOCIETIES

Sociedades de Honor

## Accounting Honor Society

The Accounting Honors Society is committed to helping students mature within the accounting major, assisting in career preparation, and connecting students with professionals and with one another. Most importantly, AHS is dedicated to the Leung School of Accounting's vision of emphasizing character and competence in students to reflect the life of Christ and shine the light of Truth.

## Alpha Chi

Alpha Chi is a national honor society that admits students from all academic disciplines. Members are elected by the faculty of their schools as ranking in the top 10 percent of undergraduate juniors and seniors, and graduate and professional students. Qualifying students from APU were inducted into the California Gamma Chapter of Alpha Chi. These Alpha Chi inductees can be identified by the blue and green cords worn with their graduation apparel.

## Pew Society

The Pew College Society is a campus organization that helps promising undergraduate students gain admission into excellent graduate schools. Initiated with a series of grants from the Pew Charitable Trusts, the Society is now fully funded by APU. The organization sponsors seminars and lectures each year to promote scholarship on campus and to help students through the process of graduate school admission. The Pew College Society also connects its members with faculty mentors and offers some financial aid for graduate school-related expenses such as applying.
