"At Azusa Pacific University, we value God-honoring diversity. Diversity was not our idea, but God's. Therefore, we strive to push past political correctness and aim instead for an environment that respects and honors each individual's uniqueness while celebrating our collective commonalities.
In this spirit, we continue important discourse on diversity, engage a variety of perspectives, and embrace active listening in a spirit of humility. We continue our efforts to recruit, hire, and support a diverse community in an effort to create a milieu that reflects the mosaic of God's Kingdom."
