

Greetings,

We are writing during an unprecedented period of time because you are an important part of the APU alumni community. You are valued, and we are working hard to help you stay connected and engaged, through digital means.

On behalf of our Alumni Engagement Staff - Angelica Echevarria, Sara Rojas, and myself - we are praying for you and your families, to maintain good health and remembrance of our ultimate hope in Christ!

Go Cougs!

ALUMNI ASSISTANCE

How can we help you?

Please complete this quick **EIGHT QUESTION SURVEY** to let the APU Office of Alumni Engagement know how we can support you and fellow Cougars.

How can Cougars unite and help others?

There are many ways you can be of service to our Azusa and APU community during this time.

1. Pray for the current APU students, faculty, staff, administration, and alumni and the surrounding community.
2. Check on your APU friends and connect with them.
3. Let the Office of Alumni Engagement know how we can help you by filling out the survey listed above.
4. To care for international students and other students experiencing extraordinary circumstances, we have instituted a living space exception for cases of hardship. If you would like to support the tangible needs of APU students through our student emergency fund, please [click here](#).
5. If you live in close proximity to the APU campus and want to donate canned goods/non-perishable items for our student food pantry program, please contact Brittany Billar (bbillar@apu.edu) in Student Affairs. This is a meaningful way to address food insecurities on campus.
