- Enrollment is limited to one course per session (six sessions per academic year), with a maximum of 54 units completed through the UC Concurrent Enrollment Program.

Neither the parent, family member, nor a representative from the student’s school may inquire about the student or obtain information on the student’s academic performance, enrollment, or attendance without the expressed written consent of the student, regardless of the student’s age.

- High school students enrolled concurrently at UC are not eligible for financial aid.
